We have tried to make this course accessible to a wide range of people by choosing to have a sliding scale for cost of the course. As our funds for giving further financial support come from course tuition income, the amount of money available for bursaries relates to the numbers of full paying participants who enroll on this course. We therefore may not know the amount available until a date that nears the workshop date. We will let you know *as soon as possible* whether we can fulfill your request.

If we are not able to meet your request we will reimburse your deposit.

The maximum bursary we can offer is up to 50% of the course price.

This means all course participants will need to pay a minimum of £375 and all accompanying adults will need to pay a minimum of £150.

I feel I can afford to pay £_____ for the Art of Mentoring on 4th-10th July 2010
